The Reinis Dinner Card.

The first lew minutes of a dinner are often stiff and silent, and the hestess begins to fear a dull evening. An amusing way of starting a conversation lies in her power. If she is a clever woman and has a small amount of artistic talent. This is the idea of a Washington belle: For dinner cards use large plain cards; on one side the name of the guest is to be written, and in the lower corner small " over " inscribed. On the reverse of the card is to be sketched a rebus illustrating the name of some well-known book or character-a simple one, for example, being Parisian ludy who aspires to good looks and a should be a different book, and she must distribute them according to the capabilities of well in, wipe off with a damp towel and then her guests, not discouraging a stupid person rinse, first in hot water and then in cold. by a difficult rebus, or giving a clover indi-ridual too simple a problem to solve. It is then the face is anointed with cola cream and surprising to see with this simple stimulant how quickly a dinner table wakes into life and laughter.

Strawberry Preserves

To give a fine approaches the wedding-out of place in shop or office, and is soon in four a particular mayonnaise sauce. To give a fine approaches the wedding-out of place in shop or office, and serve cold.

Not long ago a woman visiting a publinot even offered a chair." It is foolist and unnecessary to demand in the rush and hurry of business the formalities and attentions of the drawing-room. If a woman is considerate of others she will certainly receive consideration and civility from her associates. More ought not to be insisted upon. When a woman is found who gets on in business as well as a man, it is generally also found that she imitates the methods of a man, goes about her work steadily and systematically, and, it is safe to say, leaves her tears and exactions at home.

Frechies.

Buttercup.-Lemon juice is the only harmless remedy for freckles, but it will require months of attention to efface these blemishes from the skin. Powdered nitre and cornstarch in equal parts applied with a lines cloth that has been dipped in glycerine is said to be a reliable cure.

Preventing Seastekness

Voyagers to Europe may ward of an attack of seasickness severe enough to make them first fear they shall die and a little later fear that they shall not by a little care as to their diet for a day or two before starting, and then by keeping resolutely on their feet the first day out.

Walking continuously up and down the deck accustoms one to the motion of the vessel, and fatigues the walker so that sleep is more easily attained, and after the first twenty-four hours the worst is generally over. At the same time it will do no harm to try the prescription of an eminent medical authority who declares that fifteen grains of sulphate of quinine, taken from two to four hours before sailing. will prevent all symptoms of seasickness, even in a sensitive subject.

This of which nobody dies that he fervently declared that he would not barter a single foot of earth for the whole broad ocean.

Strawberry Salad.

Put the strawberries in a glass dish with alternate layers of pulled pineapple. The fresh is better, but the cauned pineapple may be used. It should be pulled instead of sliced because the slices retain too much of the tough fibre. There are no two flavors that combine more perfectly than those of the strawberry and the pineapple. When the pyramid of fruit is completed, the strawberries, of course on top, pour over the whole either wine or the strained juice of three lemons and two oranges, sweetened to taste. Keep it on the ice until ready to place on the table.

For To-Morrow's Dinner. Cream of Potato Soun. Hagout of Beef a la Mode.

Coffee
